Report of Principal and School

As excited as we were about the 2012-2013 school year, we are equally proud of the accomplishments of Loris High School during the 2013-2014 school year. This is indicative of a faculty/staff and a community which values the education of each and every student. Further, it illustrates exactly what students are capable of accomplishing when expectations are high and a rigorous, relevant and challenging curriculum is presented each and every day. We are very blessed with a School Improvement Council which assists us in formulating our vision as well as helping us decide how best to implement these plans. With strong district support, Loris High School was able to accomplish many goals during the 2013-2014 school year. Some of these are: LHS achieved an Absolute Rating of Excellent on the 2013 School Report Card; LHS achieved a Growth Rating of Excellent on the 2013 School Report Card; LHS once again was recognized as a Palmetto Gold Award winner by the State of SC for general performance; the Graduation Rate once again increased to 84.1%; the ESEA/Federal Accountability Grade for LHS was an "A", which means performance substantially exceeds the state's expectation; LHS was recognized as a Title One Reward School for progress; LHS was recognized as a Palmetto Gold Award winner for closing the achievement gap; over 90% of our parents indicated they are satisfied with the learning environment; our composite score for End of Course Tests was 20% higher than other schools in SC with students like ours as reported on the State School Report Card; and our new Medical Magnet Program experienced a very successful first year

Loris High School continues to demonstrate what is possible when a school has great teachers and strong consistent community support. The Loris community continues to provide support in the form of encouragement as well as monetary means. Our Booster Clubs continue to support many activities and sports at LHS and through this support many students are afforded the opportunity to participate in extracurricular activities. Above all, the community and the school values education first, attempting to equip each and every student with the skills to be successful in life. Programs such as Extended Options, EOC Reviews and Gear Up continue to afford students the opportunities needed to be successful in their academics. Transportation is provided for all these programs. Further, LHS will continue to incorporate Character Education for students and staff on a daily basis.

Finally, next year, through the vision of the Board of Education and our District Administration, each student will be issued their own personal technology device. LHS has been preparing for this day for the past year as we have trained as a faculty on how to best implement this technology into the daily curriculum. New Blended Learning Strategies will be incorporated which will change the way our classrooms look as well as the way instruction is delivered. We are anxiously anticipating how these strategies will actively engage more students in the learning process. It is going to be a great year for LHS!

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	84.1
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Loris High School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
